Sophisticated features at an economic price

The Gestetner MP 2014 is an A3 black-and-white MFP with a brisk output speed of 20ppm, providing maximum efficiency for document processing in your office. Your total cost of ownership is low because the MP 2014 has an economical initial cost with low operating expenses. There is even an Energy Saving Key putting your MP 2014 instantly into sleep-mode, to reduce your energy bill. This reliable MFP has been designed to provide you with robust performance in demanding office environments. The benefit to you is maximum uptime ensuring professional document imaging.

- ID card scan function copies both sides onto a single sheet, saving you time
- Customise two short-cut keys to perform frequently performed tasks quickly
- Automatic double-sided copying cuts your paper costs
- Automatic Document Feeder on the MP 2014AD speeds up copying and scanning
- Economic price and low running costs make the MP 2014 a cost-effective solution

Low operating costs matched by valuable features

Low total cost of ownership

The MP 2014 offers highly competitive operating costs, saving you money. The cost of consumable sets is amongst the most economical on the market. Being able to print double-sided as standard also cuts your paper costs and reduces your carbon footprint.

Time saving features

Highly productive features such as ID scanning simplify common copying and printing tasks for you. Short-cut keys allow one-touch customisation of frequent routines for maximum efficiency. Folder Print allows frequently used documents to be stored securely for convenient output at the touch of a button.

Full colour scanning reduces filing

Scan colour originals to your PC, email, or folder for efficient communications. Scanning at up to 600dpi resolution allows you to electronically store documents in high quality. Electronic document filing saves you storage space and reduces your paper usages.

Straightforward and reliable multifunctional output

The efficiently designed paper path means you can depend on the MP 2014 to be reliable when you need it to be. The standard USB connection is 'plug-and-play' meaning that you will be printing from your computer straight away. And if you need to share the MP 2014 with co-workers an optional network interface is available.
